

Dear

It is a pleasure to address you on a number of issues that require our attention and correction. First, there is a discrepancy regarding a serial number. It should be 3FALP62W0RM103819, instead of HC42011615 currently mentioned. We need your support to carry out this correction.

In addition, we have received a notification from Chubb Seguros Mexicano S.A. regarding a modification in the discount applied for the renewal quote of the B742007342 policy. It will be necessary to proceed with an online calculation of this new information. In addition, we have been provided with a new discount of 45.00 on individual renewal, which should also be taken into account.

Finally, we must make some changes regarding the Owner and Invoicer, being now OPERADORA DE HOTELES FLOSOL SA DE CV, for which the tax code is attached. Even the page says Comercial Flosol, but it requires an update to reflect Operadora de Hoteles Flosol.

I remain open for any questions or clarifications. I thank you in advance for your cooperation and attention to these important issues.

Best regards,
[Your Name]
