

Hello

Based on certain requests received recently, I'm assuming you have some tasks on your plate that need attention. Mar a Guadalupe L pez Zamora demands your help to register a Freightliner vehicle Chassis Cab Business Class Mod. 2012 to the Chubb NA42003135 Special Services Flotilla from Dist Logee.

In addition, Viridiana Alvarado has requested your support to cancel a lawsuit due to a change of ownership. However, there seems to be a slight obstacle - the circulation card that has still been issued is in Heriberto's name, which creates a discrepancy.

Finally, Majo requires your assistance in modifying the fiscal direction of the policy. The new address is Naranjo No. 74, located between Nayarit and Veracruz streets in Col. San Benito, with the zip code 83190.

I would appreciate you taking care of these matters as soon as possible.
