

Request for correction and cancellation P liza F242400013 and E5 43001437 Nicol s L pez Ruiz and Jes s Avilés Borbon

Send or send emails to request your support in various matters related to the policies of our policyholders. First, a correction in the data of the F242400013 policy is required in order for it to be registered in the name of Nicol s L pez Ruiz, the insured contracting owner, with the specific address provided to him. On the other hand, the cancellation of the E5 43001437 of Jes s Avilés Borbón is requested as of March 30, 2023. We remind you that for any issuance or renewal, it is necessary to send the updated tax certificate if an invoice is required.

In addition, we requested assistance for the registration of 55 RC tractors to the CA UF42100116 policy. The corresponding document is attached and information from 9 more units will be sent in the near future.

I trust that we will be able to receive your help in resolving these issues as soon as possible. I look forward to your comments.

Best regards,
