

POLICY UPDATES - ARTURO CAMACHO

Hello

I hope you're doing well. I am writing to ask for your support in several important modifications that we need to make in various areas.

1. First, I ask for your assistance in the cancellation of the UR 41000136 liability corresponding to Grupo Constructor e Ingenier a JER sa de cv, since the car covered by said policy has been sold and is no longer part of the company's assets.

2. In addition, Antonio Dívila Pe a has requested that we add several vehicles to our fleet with the coverage A342004471. Specific models that require coverage include Jeep, Volkswagen, Hyundai, and Italy units, and preferred beneficiaries need to be registered for each vehicle.

3. Finally, Marcelino G. Esparza Atilano of ODESSA SEGUROS has asked us to include Mr. Arturo Valdez Valdez as owner and insured in the K943102300 policy. Ethel Melissa Garza M. of CHUBB Seguros has already responded with the requested endorsements and is at our disposal to resolve any questions that may arise in this process.

I really appreciate your support with these updates and I remain at your service for any questions or clarifications. Looking forward to hearing from you soon.

Have a great day!
