

SUPPORT FOR FLOSOL HOTEL OPERATOR CHANGE OF OWNER AND BILLER

For your attention and help, we need to make some changes to our policy and billing. We would like to correct the name of the owner and biller to OPERADORA DE HOTELES FLOSOL SA DE CV. We attach the tax code for your reference.

On Wednesday, February 8, 2023, RICARDO MIRANDA noticed that in the list it appears as Comercial Flosol, but it should say Operadora de Hoteles Flosol. We would appreciate it if you could support us in this correction. Thank you very much and best regards.

In the same way, on Tuesday, February 7, 2023, we sent the proof of payment and billing information. We appreciate your confirmation of receipt and application.

In addition, we wanted to mention that on Thursday, January 26, we asked for your support to include in the car list the MG GT 2022 IRON OXIDE ALPHA VERSION unit whose owner is Operadora de Hoteles Flosol SA de CV. We are waiting for confirmation of the inclusion and we ask again for your support to validate the invoice corresponding to this unit.

Finally, Raquel Echagaray made a request to Viridiana Alvarado for the agency's reparation coverage in the Eugenio Alejandro Ruesga Zamora case. We await confirmation and dispatch of the updated policy. On the other hand, Jorge Alberto Trejo requested a correction of the license plates of a unit in the insurance policy and the inclusion of a new unit under the same conditions and coverage of the current DF43000424 policy, effective from June 7, 2023 to May 15, 2024.

We greatly appreciate your attention to these matters. Best regards.
