

Hi Arturo,

I hope you're doing well. I am contacting you regarding several requests to amend our insurance policies.

First of all, we would like to cancel paragraphs 7 and 8 of the F642004004 insurance policy, as requested by the insured. We would like to remind you that it is not necessary to print the document for its validity, as we are committed to caring for the environment.

In addition, we need your help to manage the change of license plates of the vehicle of FERRESOLUTIONS Y ACEROS, which is registered under the DP42002081 policy. This change of plates will help ensure the accuracy of the information and we would like to request that the data be properly protected throughout the process.

Finally, Gustavo David Cárdenas García, an insurance advisor, has requested that the discount on the OB42018079 ALMADA URREA policy be adjusted to 35%. This will help us keep costs down and be competitive in our market.

Please review the attached information for more details on these changes. We thank you in advance for your time and for processing these requests. If you need any additional information, please do not hesitate to contact us.

Best regards,
