

MEAT PRODUCERS SERIES

Good afternoon, I hope you are well! I received a few different emails from you and I would like to make the changes that are requested.

First, I have been asked for a 40% discount on our website QY42000091 which is in the name of the Aircon Integral Group. Of course, I enclose the page for your best reference.

In addition, a change in the RFC is required on the corresponding invoice due to some labor updates. The expectation is that this change will be made tomorrow in order to be able to make the payment and that the updated invoice will be issued with the RFC delivered. Here I include both the number of our page and the tax record of the new RFC.

It is important to emphasize that all the information provided is provisional and I ask that it not be distributed or copied without proper authorization.

Sending cards and invoices for this process, I look forward to your prompt response.

Thank you for your attention!
