

Good morning Rodri,

I am sending the OT 0000024895 application for the cancellation of the 41002883 number of Cubic 33 Obra Civil S.A de C.V and I am waiting to receive the PDF. I remind you that this email is strictly for you and if it was received by mistake, it should be deleted.

In addition, I am attaching a request that I have received from Lilibeth Guzmán n Ch vez. Lilibeth is seeking support in correcting the serial numbers on a list of policies she has provided. I need you to provide me with feedback on your application as soon as possible.

As in my previous case, I want to check if it is possible to make changes to these policies. In particular, I am interested in modifying the discount to be set at 30 so that I can make monthly payments without interest. I think this change is something I can handle on my own.

I appreciate your attention to these matters and look forward to your comments.

Best regards
