

Good afternoon Marcelo, I need you to assist me with a rather urgent request. It is a matter of deregistering and at the same time reissuing the insurance or bond policy number C342400000, subsection 1279. I want to emphasize that only I, the sender of this email, will be responsible for the reshipment. And FYI, the insurance agent in charge is José de Jesús Kalifa Assad.

In addition, Joab Leonardo Campos Ramírez has requested an endorsement from the Contoso BP RF43000068 policy. The endorsement consists of changing the name of Ana Luisa Briones Elenes to Gabriela Briones Elenes. In this specific case, Alejandra Carrichi is requesting assistance to complete this process.

I hope I have been clear with the requests. Thank you for your prompt response and support. Thank you very much and good afternoon!
