

APPLICATION OF AUTHORIZED DISCOUNT AND MODIFICATIONS TO JOCALZA
186073358 POLICY

I am writing to you to request your valuable collaboration in the implementation of an authorized discount on our 186073358 number website, owned by the company Desarrollos Jocalza. In addition, it is necessary to make modifications in certain particular aspects in favour of the holder of the policy.

On the other hand, I would like to inform you that a change has been made to the discount/surcharge of the contribution corresponding to the renewal. This implies that we must make a calculation of it.

In addition, I request the issuance of the quotation mentioned above and include the RTD760B plates in the endorsement, this arises at the request of the client. In the attached, you will find the file of the page that is the subject of this email.

We look forward to your prompt attention to these efforts.

Best regards,

Adriana Rosales
