

ENDORSEMENT ENGINE NUMBER AND RFC POL KD42009206 AND K2 41000227 FOL 3759137. I ask for your support to carry out two procedures. María a Fernanda Martínez de PREVER needs to cancel the renewal of the car KD42009206 line belonging to Marilu Chavez, since the latter has decided not to go ahead.

On the other hand, the Guadalupe Victoria Educational and Cultural Association is requesting the correction of the serial number of its K2 41000227 line. The insurance and bonding advisor, María a del Socorro Ochoa Alatorre, is the one who has carried out this request. Please confirm us upon receipt of this request.

NOTE: It is very important that, when replying to this email, you attach the initial files plus the necessary data. Thank you in advance.
