

N143004809 AQUACULTURE IMPORTER S DE R L DE C V

By means of this letter, Eliseo Lechuga Fosado kindly requests your support to make some modifications to the insurance policies of Alimentos Integronaturales S.A. Specifically, it is necessary to correct the vehicle key and add a dry box in wide coverage for two units specified in the IK 43003723 plan. It has been noticed that there are discrepancies with the vehicle codes in the previous pages and your attention is requested to solve this problem.

In addition, your cooperation is requested to cancel the DG41000267 with CHUBB and reissue it with AXA at a more favorable rate as indicated in the attached work order.

Attached is the proof of tax status for your review. I look forward to hearing from you and please confirm receipt of this email.

I am at your service to answer any questions or comments you may have.

Best regards,
