

CHANGES B841004119, I441006888

Good day,

I need your support to make some changes to our policies. Fabiola has requested a change in the sum insured of the B841004119 policy, which must not represent a commercial value. We were informed that other policyholders with the same model of insurance have a value of 750,000.00, so we need to confirm the required value.

Additionally, we require your support to make a Preferred Beneficiary endorsement in the total loss in favor of Tania Itzel Jaramillo Recillas. This change is requested by Mariana I. Jim nez of Contoso Seguros, she is in the process of processing the payment of the aforementioned loss.

Finally, it is necessary to cancel the I441006888 that belongs to Rogelio Armando Fernández Álvarez, because he has found an option with a lower cost.

Please help make these changes as soon as possible.

Best regards.
