

Hello

I need your support to make a number of adjustments to our policies.

To begin with, Esmeralda Alamilla Vera, who is Car Manager at WTW, has requested help to register four cars and a quote in our R842310001 fleet. It also asks us to include the membership number in the reference field of the policy.

In addition to this, our customer Iv n GH wants to add a tire and rim cover to his 2022 Mazda 3i lineup. We would be grateful if you could provide us with an estimate of the additional cost involved.

I appreciate your attention to these matters. Best regards.
