

I would like to ask for your support to correct the serial number on the page EI42100004 PARAGRAPH 265 ANNEX CIRCULATION CARD AND PDF. The correct serial number is JE4MS41X88Z004776. I very much appreciate your help with this situation.

In addition, I would like to discuss the possibility of offering a discount for the GK42003481 with interest-free payment terms of months. Our financial decisions must be tailored for our clients in these challenging times of COVID-19.

Regarding our customers' personal data, I would like to focus on how we are ensuring their privacy and following security measures. It is essential that our customers trust us to protect their privacy.

I look forward to working with you to resolve these issues.

Best regards
