

Assistance is cordially requested in relation to various requests.

First, we require your support to correct the serial number of subsection 2 of the NA41000521 fleet belonging to INSA SANEAMIENTO AMBIENTAL SA DE CV, according to the application and invoice attached. We appreciate your cooperation in this matter in advance.

In addition, Gerardo Partida has requested that the E541006767 be cancelled and requests the assistance of his team to carry out this procedure. As a preventive measure against COVID-19, the Chubb company has implemented the remote work system in the Plaza (offices) Mexico.

Finally, we ask for your help to cancel the following subsections that were requested on July 19. In addition, some subparagraphs of June 30 did not have endorsements, and their attention is also required in this matter. Attached is a list of the items that must be cancelled. Thank you in advance for your comments on these matters.

Thank you for your attention and collaboration on these issues. We look forward to hearing from you soon.
