

Good day,

I ask for your kind assistance with regard to the correction required in the B84100783 policy. I have noticed a drawback with paragraphs 16 and 17, as they have the same serial number. To correct this, subsection 16 should be changed to L5S9G23328X000348.

On the other hand, since I represent MARSH Grupo CIE AUTOMOTIVE, we must ensure a unit in the fleet of employees of PEMSA SAPI DE CV under the 42900101 policy. This is an important detail that we cannot overlook, which is why I urge that this order be processed as soon as possible.

Also, to improve our customer service, we would like to thank you if you could complete a short survey attached to this email. In addition, I would like to remind you that the information shared through this medium is confidential and I thank you in advance for your discretion.

Finally, in the same vein, I would like to draw your attention to the details relating to the use of personal data and its provision for marketing and promotional purposes. I appreciate your confirmation of this.

I look forward to your invaluable cooperation in the near future. I look forward to your comments.

Best regards,
