

Unipro Notification and Change Requests

We are in the process of cancelling an existing policy due to non-payment for the last quarter. In addition, there has been a change in the address of the house associated with the number AA42000067 policy. The correct address is 1312. Alondra Torres de Seguros is available to answer any of your queries related to these modifications.

On the other hand, an urgency has arisen to correct the serial number of a vehicle to 1J4GW68S8XC636240. This correction is crucial, as it is needed to move forward with the glass change in the workshop. The application and the corresponding circulation card are attached for review and subsequent action.

Waiting for your feedback. Thank you and best regards.
