

I am asking for your support in making some necessary changes in a number of areas.

First, on the GJ41004760 policy, I would like to request cancellation due to total loss. To facilitate this process, I attach the transit order and a copy of the settlement.

In addition, my colleague Leonardo Barragón has identified an error in another policy. It appears that the serial number was issued incorrectly. To correct this error, Tere and Dani will need to check the circulation card, which I have attached for your convenience.

Thank you in advance for your support in these matters. Best regards, JORGE ARTURO MORALES COSMOPULOS DIGITAL 5548228631. I reiterate that at INTERPROTECCION, we are committed to making insurance less complicated.
