

Jose, good day, I kindly ask you to support me with some modifications to our insurance policies. To begin with, I need your help to apply a 35 discount on the number E543000186 which belongs to our agent in Nogales, Sonora, Mexico, Mr. Jesus Jimenez Flores.

In addition, there is another detail in the KD43999903 120 page, in which we need to include the plates so that it is registered as LMY 169A. I am attaching the corresponding circulation card for your review. What do you think of this request?

I thank you in advance for your support with these requests and look forward to your feedback.

Greetings, Fernando Almeida.
