

URGENT: Required Adjustments in Policies - Additional Unit and Cancellation of Coverage.

ANA BEATRIZ BARRERA CORONA, F942004219.

We need your immediate attention to include an additional unit to the fleet F942004219 in the liability insurance policy and satellite coverage. This addition corresponds to a truck and trailer. We would appreciate it if you could confirm and provide us with the relevant coverage documentation.

In addition, we require the urgent cancellation of Benko's E5 43001576 policy. The customer has decided to change companies and is therefore no longer required.

Thank you in advance for your cooperation with these changes. Please do not hesitate to contact us if you need more clarity or additional details regarding these changes.
