

Dear

I ask for your support in the following modifications and tasks with respect to our insurance policies.

First, our insurance and bonding agent, Raymundo Osorio Cruz, has requested the cancellation of the KD41007057 policy. The client, Jesús Zarale Morales, chose not to renew. So we asked Andy Leslie and Adriana Roque to help us with this process.

Second, our office at AYA Insurance requires assistance in modifying the year of the unit in the EI43003190 policy. This is a model from the year 2007, and for verification, we have attached the circulation card. We appreciate your comments on this.

Finally, Lourdes Romero of WTW Willis has asked for our support to incorporate a new unit into the competition from April 4. To this end, DSV's Said Vasquez has reported that the company will change several of its cars in the near future. For this reason, it also requires insurance proposals for a period of three months, with the intention of insuring all vehicles by June.

I appreciate your attention and support on these issues.

Best regards
