

Dear Rodri,

I hope this email finds you well. With regard to the pending proceedings, I need your attention in some essential respects.

First, I am requesting that the change be extended to the address in the cited policy, which corresponds to an insured person residing in a different traffic region. Please review the attached details so that you can make changes promptly.

In addition, I need an adjustment in terms of the discount applied, which I want to decrease to 30 in order to make monthly payments without interest. I understand that I may have the ability to apply this change, but I'd rather you review it.

On the other hand, in another case related to Constructora Maya, it is necessary to change the use of the units of paragraphs 19 and 20, which are currently referred to as "particular", but now should be reflected as "federale". This is a matter of urgency.

Additionally, the account executive, Mary Martinez Diego, has requested the issuance of an insurance policy for a 2018 Nissan Versa belonging to the company Programas de Innovación Educativa SA DE CV, more commonly known as Santillana. Based on the vehicle's history, there are no recorded claims so far.

I appreciate your attention to these matters. I look forward to hearing from you.

Best regards,
