

REQUEST FOR MODIFICATION OF POLICY F642000342 INC 70 and 71 AND
ASSIGNMENT OF HABITUAL DRIVER

Cordial greetings, Christian Palomo Galván from Vision de Coverages Insurance and Bonding Agent S.A. I am contacting you on this occasion to request your support with multiple requests.

First, I would like to thank you for arranging the cancellation of paragraphs 70 and 71 of the F642000342 bill. As a company, we are committed to protecting the environment, therefore we want to avoid the excessive use of paper, favoring the digitization of documents as much as possible.

In addition, I would like to request the assignment of Luis Eduardo González Hurtado as a regular driver in the same boat. I believe that this modification is crucial to ensure the correct coverage and protection of our assets.

I attach the necessary documents for the actions mentioned above. I look forward to your support and response to these requests.

Best regards,

Christian Palomo Galván
Vision of Coverages Insurance Agent and Bonding S.A.
