Please note the following changes to the F643000234 Policy that are being modified without justification in the Contosonet system. A unit is required to be included in the GJ42000612 flotilla, according to David's request to Elsa de la Mora Barajas on Wednesday, September 21, 2022 at 9:42 a.m.

In addition, the sender requires the collaboration of Lidia to change the use to federal. Likewise, it clarifies that it is contrary to the use of your personal data for advertising and marketing purposes. You insist that opposition to the use of your personal data for these purposes should not be an excuse to deny the services you request or contract with DIANA CECYLIA RODRIGUEZ GALINDO.

A request is made to correct the method of payment of the KD43001872 policy as a matter of urgency. It is also necessary to optimize the cost and renew the MM42000095 policy, applying a 25% discount in this process.

Finally, a problem with the attachment of screens in the process was mentioned, so they requested clarification of the details in this regard.
