

N143004809 AQUACULTURE IMPORTER S DE R L DE C V

Dear Daniel,

By means of this e-mail I reiterate my request for support with three issues regarding the policies of our clientele.

First of all, I ask for your collaboration in cancelling the prosecution of Diego Armando Muñoz López, specifically the GJ40011370, because he has asked us to carry out this action. I trust that you will be able to assist us in this case.

The second issue is in relation to Esmeralda Alamilla, who is seeking to issue a quotation for the JW40500001 unit, which does not appear to be visible on our website. Your request extends to requiring an accurate quote that includes coverage for 3 passengers in occupant medical expenses and liability coverage for the first trailer.

Finally, I request your assistance with Omar M. Rosas Lara, who needs us to write down the plates of a bank and a circulation card that he will send you through WhatsApp. He is unable to carry out this task as he is on the street. Additionally, it asks to verify if the series is the same.

Attached to this email you will find the proof of tax situation relevant to your next actions. I would be grateful if you could confirm receipt of this email.

I am at your disposal for any questions or comments you may have. I look forward to your kind comments.

Best regards,
