Good day,

I am seeking your support in making some modifications to our records.

First, I'd like to apply a 30% discount to the app of a new customer, Michelle Nicole Tucker Grande. I am sure that this gesture will foster a strong and lasting relationship with her.

Secondly, we need to cancel the K8 40002229 application of our client, METALIZADOS TANGERINA S.A DE C.V., pending further information regarding this decision.

Finally, I need you to make the endorsement of change of coverage in Yolanda Arreazola Gutierrez's policy to be in R C.

Thank you for your attention to these matters at your most convenient time. Together, we will be able to maintain the high quality of our insurance services. This email has been scanned by Avast antivirus for viruses.

Best regards.
