

SERIES OF BENEFICIARIES OF POLICIES

Good morning and I hope you are well!

I have been asked to update the insured of several companies that are currently under the control of ALFA DISTRIBUCIONES QUERETARO S.A. DE C.V. The new proposal is ADVANCE NODAV GROUP S.A. DE C.V and I would be interested to know if I need to provide more additional documents to make this important change.

Apart from this, I have received a request from Amparo, who is looking to apply an extra discount of 15% to the GN43004726 policy. Note: This request was submitted through Mail for Windows.

I am attaching the documents required for both proceedings and look forward to your reply.

Thank you!
