

N143004809 AQUACULTURE IMPORTER S DE R L DE C V

By means of this communication, I would first like to ask for your support in correcting the year of issuance of the KD41012423 policy that is found to be incorrect. According to the information attached to the circulation card, the correct date should be 2006.

Additionally, I have a request from the client RYDER CAPITAL S DE RL DE CV, who has requested the registration of three cars with semi-annual payment. This is according to a quote that was made previously. Details of these vehicles include description, model, license plate and coverage, all of which have been provided.

Finally, I would like to draw your attention to pages 712 and 716. The customer confirms that they are labeled for public use, so it will be helpful if you can help us with endorsements on this issue.

I hope this information is helpful to you. I attach the proof of tax situation for your review. Please confirm receipt.

I remain at your service to answer any questions or comments you may have. I look forward to your kind comments.

Best regards,
