

I am writing to you to talk about a number of issues of interest around insurance policies. The first point to be discussed is the issue of traveler's insurance, which is due to expire on June 11. I would like to receive clarification on some points that are not clear to me in this documentation. In addition, if possible, I will need to be provided with a PDF copy of it.

In the second instance, an error has been detected in the insurance policy E541004147 linked to a 2012 Mazda. This belongs to Jos Gilberto Cabanillas Hoyos. The car model mentioned in the policy is incorrect. Instead of the current designation "Mazda 6 I Sport L4 IEM AUT 4 ABS CA CE FABRIC CD SQ CB", the correct designation would be "Mazda 6 Sport V6 with leather".

Finally, I would like to take this opportunity to mention that the renewal of the application that begins on June 28, 2022 has been sent. It awaited confirmation of its receipt.

I am at your disposal if any further details are required to resolve these matters.

Best regards,

María José Hernández Ramos
