Dear Team,

By means of this email we ask for your valuable support with the following means:

Ivonne Hernández Guila wishes to proceed with the cancellation of the H5 41013327 policy and requests the refund of the corresponding premiums. To this end, it has attached the necessary documents.

On the other hand, Ahorra Seguros has provided us with relevant information related to bank deposits, vehicle inspection, the use of cars for taxi or Uber services, as well as the automatic renewal of policies.

Jorge Mata sends us an email requesting the cancellation of the registration of a Renault Fluence 2011 vehicle in a plan with BlueYonder, and asks to receive proof of the same. Claudia and Jorge intend to confirm this cancellation with the client.

In addition, Alberto Ledesma Uribe requests that we add the unit detailed in the attachment to the fleet of his mutual client.

It is absolutely essential that, when replying to this email, you include all the initial files plus the required data. Thank you in advance for your attention to these matters.

Greetings to all,

Maria Teresa Lopez Castro

P.S. Send or another email the proof of address, as I have experienced difficulties attaching it to this one. Thank you very much for your understanding.
