

ISSUE UPDATES - 26 JANUARY

Deysi, Artur and Carlos, I may need your support with the following moves.

REQUEST DATE

HI42000141 - Engineer Deysi Esther Mendoza Paredes requests the cancellation of subsection 18 of the HI42000141 auto insurance policy in the name of the Seventh-day Adventist Church. Reason: SALE OF THE UNIT. Additionally, attach a document with the data corresponding to your application.

In addition, Ximena God nez from AON, is requesting the inclusion of a unit for the client "Maintenance Donald Clean SA" and provides both an invoice and the attached work order for review.

Finally, Carlos García from KEMET Electronics Corporation requests a correction of the serial number on one of the pages. He is also asking about the delivery of a new policy and whether both are included in the cut.

I look forward to your prompt action and thank you for your attention to these matters.

Greetings and thank you.
