

Change of license plate number and deregistration of MM42000303 and L841141260 subsection 534

Dear Marcelo,

I want to ask for your help in the following aspects, please:

First, we need to register the change of number of plates for the MM42000303 page, I attach the copy of the corresponding circulation card for your reference. This change was initially requested on Thursday, June 1, 2023 at 10:18 a.m.

Second, per NA's request dated August 31, 2022, we require cancellation of the attached L8 41141260 list, specifically Subsection 534. This original message was sent by Iv n GH.

I count on your invaluable support to carry out these actions and to be able to keep our policies up to date.

Thanks a lot!
