

Dear

By means of this e-mail I ask for your kind support with respect to some corrections of policies that we have pending.

Our colleague, Ms. Geysi Gomez, Head of Mass Business Administration at ODESSA Tek, requires assistance in the cancellation of the D342006193 policy. This cancellation becomes necessary due to the sale of the corresponding unit. Please make sure that the cancellation is up to date until the last paid bill, in this case until April 10th.

In addition, on behalf of the administration of UCMA Seguros, Mrs. Alexandra J. García a Garibay has asked us to make a change in the use of the I442008067 line belonging to Luis Gerardo Ruiz Domínguez. The new designation of this policy should be as a 'private individual'.

We appreciate your timely response to these requests and look forward to receiving confirmation of the relevant amendments.

Best regards,

Jose Luis Zamora
