

Dear Team,

Manuel Llarena Rosales of Seguros ODESSA has requested our assistance in correcting his address on the incorrectly registered personal car page. Attached you can find a screenshot with the correct address according to the information provided by him. Please make any necessary modifications and provide an update once the change is made.

In addition, it is necessary to cancel an MPF Auto Insurance due to the cancellation of the company. This includes reversing the discounts that were applied in the 17th and 18th fortnights. We would appreciate it if you could review the reported discount and confirm the correct figure. More details can be found in a previous email that was also sent in this regard.

Juan Calder has also made a request. You need a discount on one of the pages and be out of the office until Tuesday. Apparently, Qualitas has given him a quote of 13,194, and asks if we could evaluate the possibility of a discount of 40% or more. We will need your assistance in reviewing this application and, if possible, granting this discount.

Could we add the bulk printing module in the portal for these cases? Additionally, we would appreciate it if you could share the special conditions confirmed for these accounts.

We will follow up on these outstanding items. We thank you in advance for your help in these matters.

Cordially
