

Dear Interprotection Team,

I trust that this message will find you well. Your assistance is required in a number of matters relating to insurance policies.

First of all, Oscar Rodriguez, our Treasury Analyst, provides the A1 41002191 line number, on behalf of Renata Villareal of Intl Mexico for the cancellation of the insurance item itself, which will be effective as of September 5, 2022.

On the other hand, Jessica Monsivais Reyes needs to activate a policy for a Compass High Altitude vehicle in the RAS fleet. We would be grateful if you could confirm this request and attend to discharge from the policy.

In addition, Samantha Jurez of Lockton Mexico, asks us for an updated CSF to make changes and has provided us with the latest update of the Contracting Insured, in this case Constructora y Promotora de Revoluci n S.A. de C.V., with the corresponding invoice issued in their name.

I appreciate your support in these matters.

Best regards,

JORGE ARTURO MORALES COSMOPULOS
