

Request for additional discount and coverage for insurance policies Jacqueline and Sergio, according to the recent emails received, I would like to make the following requests:

For the GN43004608 list, please consider an additional 15% discount. This request was made through Mail for Windows and we hope to respond to it in the best possible way.

Secondly, Jacqueline Robles García has asked for our help GE42009088 in her letter. She wants to include Cerocible's coverage in her current insurance plan. We hope Sergio can help with this request.

I appreciate your kind attention to these matters and look forward to a timely response to both requests. I look forward to any additional information you may need.
