

Dear Salvador Guerrero Alba and Luis Octavio Izarraras,

I hope this message finds you well. I have a couple of requests and thank you very much for your attendance. I'm glad to hear that we're all working together to keep our internal processes consistent.

First, Salvador, you can help us apply a 35% discount to the transaction in question. Please verify that the calculation is correct and reflects the appropriate discount amount.

Secondly, Luis Octavio, I understand that there is an error with the endorsement of plates for Teresa de Jesus Vera Chavez. We would appreciate it if you could correct this problem and make sure that the process is as PSD046C. I understand you have the original endorsement for reference.

Finally, we need assistance in making an endorsement in the GN43004762 in the name of Gustavo Arana Hernandez. Gustavo will be the insured, contracting party and beneficiary. Its address is Carretera a Chapala 7053, Col Las Pintitas 45693, El Salto, Jal.

I appreciate your help in facilitating these changes and maintaining a high standard. I remain attentive to any questions or clarifications.

Greetings and I look forward to your prompt reply!
