

MOVEMENTS Contoso 01 FEBRUARY

Leslie, I require your help with the following moves.

POLICY REQUEST DATE

GJ41001107 Endorsement of cancellation of the GJ41001107 policy, due to an error in the customer's unit. I request a premium adjustment according to the correct unit. 31 01 2022

In addition, I suggest you download the "My Policy" app to have easier control of your policies, verify your payments, share your policies by mail, and get emergency numbers from insurers.

Thank you for your continued cooperation. Great day for you. Best regards.
