

REQUEST FOR CANCELLATION AND MODIFICATION OF POLICIES

Dear

I hope you are well. I come to you today with three issues that require your attention and support.

First of all, I request the cancellation of the application that has been annexed to this application. This adjustment is due to non-payment for the last quarter.

Secondly, I require a change in the nature of use of the unit referenced in F942002927, whose owner is Fernando Aguilera. The unit has been changed from private to federal public use. I request a response with information on whether the policy needs to be reissued or whether an endorsement would be sufficient.

Finally, I also request the cancellation of the insurance policy GF42003515 of the company Contoso DE MEXICO COMPA A DE SEGUROS S.A. DE C.V., which is in the name of PLASCENCIA YA EZ GUADALUPE ANTONIO.

Please provide the information on the response times that are usually handled for this type of transactions with different insurance companies.

Thank you very much in advance for your willingness and help. I look forward to your prompt reply.

Best regards!

Andrés M. Gutiérrez
