

Good morning Rodri,

I am writing to request various modifications to various insurance policies. First of all, I would like to add Anahí Rosales Cisneros as a regular host to the D341000839 line that is in the name of Erik David Campos Moreno.

In addition, they will need your support to fulfill an endorsement, as well as remember the importance of taking advantage of all the discounts available on the CHUBBNET portal. For this purpose, it submitted an updated Certificate of Tax Status in compliance with invoicing 4.0.

Finally, please activate the Work Order (TO) number 2037281 for the 2002 Volkswagen Pointer Wagon Wolfsburg Edition vehicle, owned by the insured Armando Vázquez Hernández with ABA by Chubb.

It would be ideal to make all the modifications at once and thus pay the price. And going back to the subject of discounts, I would like to reduce it to 30% to be able to pay in months without interest.

I appreciate your kind attention to these requests and look forward to your comments. Best regards,
