

Dear Ren,

I am writing to request a series of changes and cancellations in some of the issues we have with you.

First, please proceed with the removal of item 116 from the F642003060 fleet belonging to NICNA MEXICO SERVICIOS S DE RL DE CV. It will be worth considering contacting the appropriate insurance agent to avoid repeating similar emails in the future.

In addition to that, the client has requested the cancellation of her F643000487 policy. This order is due to the recent sale of the associated unit.

Finally, I would like to share with you some additional information: Manuel Rincón.

I look forward to your comments and thank you in advance for your attention to these issues.

Best regards.
