

INSURED VALUE CHANGES AND LOW POLICY ENDORSEMENTS GP42007312 RA

We are pleased to greet you, and we request changes in the fleet of vehicles of Pinturas del Paso y Juarez S.A. de C.V. and Diesel Servicios Industriales SA de CV. Attached are the movements requested by Marcelo Cant Reyna, which include:

1. Modify the insured value of the 2005 Chevrolet Equinox unit to an agreed-upon value in lieu of its current market value. This request is made under the same conditions and discounts that apply to new additions to the fleet.
2. Make deregistration endorsements for various units, including General Motors, Ford, and Volkswagen models.

In addition, a security alert is included for messages originating outside of the Aon network.

Thank you in advance for your attention and support. I am on standby for any comments or clarifications. As always, we invite you to take our Customer Satisfaction Survey <https://forms.gle/JauVSLXhXBnetid6>
