

SUPPORT FOR FLOSOL HOTEL OPERATOR CHANGE OF OWNER AND BILLER

I kindly ask you to support with different requests. To begin with, José Manuel Crisanto Bautista is requesting an increase in the discount of his GK41003608 to 40%. I has provided his contact details for any necessary follow-up to this request.

In addition, we are in need of assistance with an application related to the issuance of OTs and/or annexes. This request pertains specifically to the vehicles of our residents and employees. We are awaiting confirmation of receipt of this request and/or the corresponding folio.

I look forward to your comments and appreciate your attention.

Best regards

CB GV MG MANZANILLO
