

Dear Brenda Eduardo,

I cordially greet you and at the same time, I send you the following request regarding the insurance policies and necessary adjustments to them. Please check the C342000643 policy of the company Panasonic Energy Mexico SA de CV, as it is necessary to proceed to the cancellation of the sections indicated on the specific dates mentioned, we trust that this cancellation will be made with due promptness.

In addition, we require your important cooperation in the adjustment of an annexed quote. Mr. Abraham Gastelum Trujillo, a well-known insurance agent known for his professionalism, calls for the maximum possible discount to be applied to this quote.

Please modify the description and series of the last 6 subparagraphs which must read only trailer indistinctly and the series of trailers must be the last 5 digits of the series of each insured tract.

We await your confirmation and actions on the above-mentioned requests. We thank you in advance for your cooperation and prompt response.

Kind regards
