# REMARKS (ACORD 101, Additional Remarks Schedule, may be attached if more space is required)

It is an honor to get this golden opportunity to fill up this historic form that will transform the life of at least one signle cell bacteria somewhere in the Universe! We have a precision measing system that is spread everywhere and can measure Transformation to the nearest 1 milli transformation unit (MTU).

This also has to be noted that in the form we have added another paragraph to bring in some diversity in form data for better model training.

When the font size is small, it gets difficult to fill up a comments field in a form. Often this leads to writing remarks which does not make sense or contains a lot of words and sentences with not much information. On good thing about ChatGPT is that you can leverage it to generate a summary of the remarks field to cut all the fluff.

#### APPLICANT'S STATEMENT

The undersigned Applicant hereby certifies that he/she has read and understands the questions and statements in this application, which is comprised of both the ACORD 130 and ACORD 133 forms. In consideration of coverage being afforded under the applicable Workers Compensation Insurance Plan developed or administered by NCCI (WCIP or Plan), by signing below, the Applicant also certifies that any and/or all responses provided in or to this application, which is comprised of both the ACORD 130 and ACORD 133 forms, are true and accurate and Applicant further understands and agrees that:

AGENCY CUSTOMER ID: WY-982736401

- Since he/she has been unable to secure workers compensation coverage in a regular manner through any other insurance carrier or provider, this
  coverage is being afforded under the applicable WCIP, and that the applicable rates and rating programs charged may be higher than those in the
  voluntary market.
- Coverage is NOT bound until the completed and signed application is received with the required initial or estimated annual deposit premium and eligibility is determined by the Plan Administrator.
- Provided that Applicant is determined to be eligible and in good faith entitled to WCIP insurance, based upon the information provided herein or
  otherwise available to the Plan Administrator, coverage will be bound in accordance with WCIP rules. See the WCIP for applicable binding rules.
- In approved jurisdictions, NCCl's Voluntary Coverage Assistance Program (VCAP® Service) applies to all employers seeking coverage under the Workers Compensation Insurance Plan, and:
  - · Is integrated with and operates as a supplemental program to NCCI's WCIP; and
  - · Operates in conjunction with NCCI's Residual Market Application Processing System (RMAPS® Online Application Service); and
  - Is designed as a depopulation tool to provide an additional source for producers and employers to secure workers compensation coverage in the voluntary market; and
  - All applications (electronic, phone-in, or mail-in) submitted to the Plan Administrator are reviewed to determine if they meet any of the
    preselected criteria specified by a participating voluntary carrier; and
  - If the Applicant meets the criteria of an authorized voluntary carrier (VCAP® User) and an offer of voluntary coverage is provided, the
    Applicant, its representative, and/or the producer, must accept a reasonable offer of voluntary coverage in accordance with the WCIP and
    VCAP® Service provisions, and further Applicant will be deemed ineligible for coverage under the WCIP if Applicant does not accept such
    reasonable offer of voluntary coverage; and
  - If an application does not meet any VCAP® User's criteria, the application will continue through NCCI's RMAPS® Online Application Service.

If deemed eligible under the WCIP and as further consideration of policy issuance under the WCIP, by signing below, the undersigned Applicant also agrees:

- To maintain a complete record of all payroll transactions in such form as the insurance company may reasonably require and that such record will be available to the company at the designated address; and
- To comply substantially with all laws, orders, rules, and regulations in force and effect issued by the public authorities relating to the welfare, health, and safety of employees; and
- To comply with all reasonable recommendations made by the insurance company relating to the welfare, health, and safety of employees; and
- To take no action in any form to evade the application of an experience rating modification determined in accordance with the applicable experience rating rules, as determined by NCCI, Inc.; and
- To comply with all WCIP rules and procedures and policy terms and conditions, including without limitation, those relating to audits, inspections, loss
  prevention, and/or premium payments, to maintain WCIP eligibility and coverage.

# **OUTSTANDING BONA FIDE DISPUTE**

The undersigned Applicant also certifies that he/she has no outstanding bona fide dispute as provided in NCCI's WCIP with any producer or company in regard to: (a) payroll records; (b) the amount of premium charged; (c) the payment of premium; (d) the carrying out of any recommendation made for the purpose of safeguarding employees; (e) the handling of any claim or accident report except the following:

# LOSS SENSITIVE RATING PLAN (LSRP)

In applicable jurisdictions where the NCCI's Loss Sensitive Rating Plan (LSRP) has been approved for use, the undersigned applicant further understands and agrees that by signing below, I (applicant) acknowledge that the Loss Sensitive Rating Plan (LSRP) has been explained to me, and I agree to be bound by the terms of such plan if my standard premium meets or exceeds the premium eligibility requirement. If these conditions are met, an additional LSRP contingency deposit equal to 20% of standard premium will be required; and

- At the time of application, LSRP has been explained to applicant by the Producer submitting this application on behalf of the applicant; and
- . The above referenced additional LSRP contingency deposit is in addition to the initial or deposit premium required in accordance with the WCIP.
