Hi Diego,

I need your support to cancel several overdue loans from the client Nilo Industries, which have fallen into non-payment. I ask you to make arrangements through the portal and, in the event that the fees are paid, please proceed to the rehabilitation of them.

I am also waiting for the application of a 35% discount for our client Victor Hugo Ramirez Gutierrez (I242013221).

In addition, it requested information on the cost of full coverage for endorsements of the specified policies. I ask that these be shown as a commercial value and not as an insured sum.

Finally, we need to manage additional policies and make some changes to the specified policy, so that it is shown as covered rather than as sum.

In anticipation of the above, a cordial greeting,
